Thursday 22nd April 2021

Dear Parents, Guardians & Carers,

Welcome back to term 2, we trust that you had an enjoyable break with your families and friends. This week we are sending home a mini newsletter with important information you will need to know for next week. We will begin our extended fortnightly newsletters as of Thursday 29th April.

Feast of St Joseph the Worker

Next Wednesday 28th April we will be celebrating the feast day of St Joseph the Worker who our school is named after. We will hold a whole school Mass, parents and parishioners are welcome to attend but please be aware of social distancing whilst indoors. Individual classes will have a focus on aspects of St Joseph's life during the week and will make a small presentation at assembly on Friday 30th.

Assembly

We will be running our weekly assembly on Fridays at 9am. Density limitations are still in place so please call or email the office prior to Friday morning if you wish to attend and ensure that you allow enough time to sign in.

Insight SRC survey

Each year the school is provided with a certain number of surveys which we ask members of our school community to complete. This survey allows us to gather information about what is working well in our school and what is important to our families and which areas we could improve. If you are one of the families that have been randomly selected to complete a survey you will receive it tomorrow afternoon. Please either complete the hard copy and return it to the school office no later than Friday 7th May or follow the instructions to complete it online. Unfortunately we do not receive enough to have one per family.

Grade 6 - Year 7

If your child is going into year 7 in 2022 you should have received a Transition information pack and application for enrolment form. This is just the first step for Year 7 enrolment and does not guarantee a year 7 place for your child, it is just a way for us to pass on your intention and information so that the Secondary College that you wish for your child to attend can begin their enrolment process. Please complete and return these forms to us by Friday 14th May.

Mary MacKillop Grade 6 Activity Day

Each year Mary MacKillop holds an activity day for all Grade 6 students across South Gippsland. As a feeder school our Grade 6 students are lucky enough to be invited regardless of their intention to attend the school the following year. This day is always a fun filled day and is a great way for students to experience Secondary School life and meet new children from around their community. Our students will come to school as normal and will catch the bus to Leongatha to attend, they will be back at Korumburra for normal after school arrangements. Please check PAM for details.

If you wish to find out more about Year 7 2022 enrolment at Mary MacKillop for your child you are invited to attend an information evening for parents and children on Tuesday 11th May at 7.00pm for School Tour with information session commencing at 7.30pm.

KSC Information night

Korumburra Secondary College will be holding an information night on Tuesday May 4th at 6:15pm. This is open to all Grade 5 and 6 Students and their families who wish to find out more information about Year 7 enrolment.

KORUMBURRA SECONDARY COLLEGE

Warmly invites Grade 5 and 6 students and their parents to our

2022 YEAR 7 INFORMATION NIGHT TO BE HELD ON

TUESDAY, MAY 4TH, 2021

The College staff look forward to introducing you to the next phase of your education and will be showcasing the exciting academic program that is available at our College.

You will also receive valuable resources outlining the ethos and curriculum programs at our College.

We believe that Grade 5 students will also benefit from beginning to familiarise themselves with the Transition Process.

6.15 - Arrive at the Performing Arts Centre

Further enquiries can be directed to: **Christopher Cronin** - Middle School / Transition Coordinator on 5655 1566

'Developing lifelong learners who are respectful, resilient, strive for excellence and are productive members of their community.'
