First Reconciliation Workshop

Last Thursday, February 12, students who are making their First Reconciliation this year attended a workshop, after school hours. Students along with a family member spent time thinking about the everyday things they do that *rip* their families apart. They also discussed what they could do to fix the 'rips' or problems to make their family stronger and to restore happiness. Saying 'Sorry!' was the first important step... to those we have hurt and to God. Did you know that God forgives us even before we say sorry!

Students read 3 short stories that told them what God is like. We learnt that God is like a shepherd, a mother and a cheerleader for us. The children then came up with fantastic words to describe God and to describe their family

Students took home a Reconciliation book to work through with their family. I ask families to set aside at least one night a week to spend time coming to understand Reconciliation better and to support their child in their faith journey.

Students have until Friday, April 24 Term 2, Week 4 to complete as much of the book as possible.

Students will have a Reconciliation retreat day on **Friday 20th March**. More information will be out soon regarding this.

First Reconciliation Date: Thursday, March 26 at 6pm in the St Joseph's Church.

A cost of \$20 for a certificate and book can now be made through CDFPay.
